

## **PROJECTS FOR OPTIONAL SUBJECTS(GK,VALUE EDUCATION,EVS)**

### **Class VI**

#### **GK**

Make a bookmark- Depicting 72nd Republic Day

Decorate it by writing slogans and material.

#### **VALUE EDUCATION**

Write any five positive qualities that you imbibed in 2020 .

#### **EVS**

You all have studied a lot about the problem of waste and waste management. But the waste management should start at home by all of us. Find out how 'composting' can be carried out at home. Write the steps in points. You can paste pictures related to the process.

### **Class VII**

#### **GK**

Write a short description on the topic 'Spices for good health' on an A4 size sheet.(Refer to page 67)

Paste pictures or draw and colour any 5 spices.

Note: Neat work carries extra marks.

#### **Value Education**

Draw a colourful poster on Swachh Bharat Abhiyaan

Also throw some light on its significance

#### **EVS**

Write about-

1) Xerophytic plants.

2) Mesophytic plants.

3) Hydrophytic plants.

Draw or paste pictures to support your answer

## Class VIII

### G. K.

Animals are an important part of our environment and we read about them in various subjects. Carry out a little research and find out about a few animal rights in India.

Write about them in points (at least 10).

### Value Education

What New Year resolution did you make this year? What inspired you to make this your resolution and how do you plan to execute it. Write about it on an A-4 size sheet in not more than 120 words.

### EVS

We all have studied about the growing pollution and its control methods in various chapters. Carry out a little research on the GAP i.e. Ganga Action Plan and write in points (at least 7 points) about the methods and ways applied to keep the river clean and pollution free.
