Madam/Sir,

Registration of students in Class IX & XI is significant process that helps CBSE in advance planning for holding the Class X & XII examinations of these students in the forthcoming year. Another important aspect of registration is to communicate the students' personal particulars to the parents so that in case, there is any mistake in the personal details of the student concerned the same may be corrected immediately. This helps in eliminating future problems. The registration process shall start as per the schedule given in **Annexure-A.** The registration of candidates will be done through the Pariksha Sangam link given on the CBSE website https://cbse.gov.in.

APAAR, which stands for **Automated Permanent Academic Account Registry**, is a specialized identification system designed for all students in India. This initiative is part of the 'One Nation, One Student ID' program launched by the government, aligning with the National Education Policy of 2020.

To ensure that schools are provided sufficient time to generate APAAR ids, CBSE has issued the following circulars: -

1. Circular No. CBSE/IT & Projects/APAAR ID/2025 dated 24.01.2025. Link- https://www.cbse.gov.in/cbsenew/documents/Circular_Implementation_APAAR_ID_24012025.pdf
2. Circulars dated **30.07.2025** and **27.08.2025** concerning the submission of the **List of Candidates (LOC)** for Classes X and XII for the academic session **2025–2026**,

The Board reiterates the importance of APAAR Id in ensuring transparency, accountability and seamless academic mobility.

You are aware that the APAAR Id offers the following benefits:

- Unified and lifelong academic identity
- Seamless transitions across educational levels

It has been brought to the notice of the CBSE that there are following technical and administrative issues in generating APAAR Ids for their students:

- Difficulty in integration between different portals.
- Different data of a student in the school and in Aadhaar records.
- Time taken to complete the correction/updating process, etc.
