Story

"The Ugly Tree"
Once upon a time in a large forest grew many trees like oak, peepal, mango and neem.

Among them there was one tree with a crooked trunk and crooked branches. It looked very ugly. The other trees used to tease it. "You are an ugly tree". The poor tree used to feel very sad. It asked God, "Oh God, why did you make me so ugly? Why am I not beautiful like the other trees?"

One day a woodcutter came to the forest to cut wood for furniture. He cut down all the straight trees, leaving the crooked one, thinking it of no use. The ugly tree was very happy and said, "Thank God, today my ugliness has saved me."

Moral – "We should always be grateful for whatever we have."
